Experience

Siesco MMC

Baku

Junior Front-End Developer

07/2024 - Present

Company Description

- I am a dedicated and responsible front-end developer with hands-on experience in creating dynamic and responsive web applications. I have independently developed a WhatsApp-like chat application and contributed to building the front-end of the Siesco Studio Edu website, ensuring its seamless functionality and user experience. Additionally, I played a key role in the development of a job vacancy website. Throughout my career, I have utilized a wide range of front-end technologies, including HTML, CSS, SCSS/SASS, Bootstrap, Tailwind CSS, JavaScript, TypeScript, React, and Next.js. My expertise also extends to responsive design, team collaboration, and effective communication. I am committed to continuous learning and eager to embrace new challenges to enhance my skills further.
