

# RAUL MAMMADZADA

## ABOUT ME

My experience covers translation, guest reception, and graphic design, demonstrating a flexible skill set essential in the modern work environment. I have fast typing skills and excel in problem-solving, effectively overcoming challenges with efficient solutions. My communication skills are highly developed, and I can fluently converse in both Azerbaijani and English, easily connecting with various audiences. Additionally, I have guided students who arrived at our university through the Erasmus+ program from foreign universities.
