About me

I was born and raised in Baku on 21.12.2001. In 2018, I was admitted to the speech therapist-defectologist specialty at ADPK under ADPU. In 2021, I passed the assistant program at the "Qüsursuz nitq" correction center. In 2024, I studied UX-UI design at Code Academy.

Management, Self-Motivation, Curiosity, Leadership, Creative Thinking

Hard skills

İllusturation, HotJar

English - A2 Turkish - C1

Figma, FigJam, Notion, Balsamiq, Adobe

Language skills

Russian- A2

Hobbies

Movies&series During my free time, I enjoy watching

movies and series. My favorite series is 'How I Met Your Mother.' I particularly enjoy genres like fantasy, detective, and science fiction.

Occasionally, I go ice skating at the

Figure skating

rink, either for fun or to practice some techniques.

Musics

When I seek calm or need to focus on work, I love listening to music. I listen to almost every genre.

Reading the book

Whenever I have free time, whether at home, work, or on the metro, I read books. I mostly enjoy classics, detective stories, and novels.
